JUL 27 1998

Dear Sir:

07

I, Frank R. Bryant, and Tsiu Chiu Chan, as below-named inventors in the application for letters patent for an improvement in STRUCTURE FOR TRANSISTOR DEVICES IN AN SRAM CELL, Serial No. 08/712,808, filed in the United States Patent and Trademark Office on or about the 12th day of September, 1996, declare that my residence, post office address and citizenship are as stated below next to my name;

I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought;

I hereby state that I have reviewed and understand the contents of the above-identified patent application, including the claims;

that said subject matter, including the claims as amended, was part of my invention before the filing of the original application, above identified, for such invention; and that I acknowledge my duty to disclose information of which I am aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
